

The structure is very large and has many outdoor areas livable, solarium, patio, barbecue corner equipped spaces around the pool all arranged on 2 floors principally with the big advantage that all areas creates a unique environment connected by many by stairs that open on the stone walls built so the setting is very welcoming and also considering the care of the lighting and the quality of the finishing lends itself perfectly all'organizzazione private parties , from birthday to corporate meetings , to graduation parties as for all those times when

you have to have
space
to optimize for
creating
unforgettable occasions
.
